Dear Clubs, Life Members, Officials, Members and Supporters,

In line with the recent information meeting, we are writing to provide an update on the current Insurance delegation letter from MA.

The MV Board has been in contact with the MA Board and on Tuesday November 12th sent a formal request to meet. MV are currently still awaiting a reply, with another email today being sent to follow up this request. The MV Board want to meet with the MA Board as soon as practicable to resolve the current issues.

MV would also like to take the opportunity to clear up any confusion regarding the current permit process. Clubs and coaches can still begin the permit process by submitting via Ridernet or Jotform. MV's preference is for clubs to use Ridernet directly. The normal process will then be followed, the only difference is that MA will be the issuer of the permit.

Also please note that the MV Office will be closed over the Christmas period, with the last day being Friday 20th December returning on Monday 6th January. Clubs who require urgent support during this shutdown period can still call 1300 454 406 with a small number of staff being on call.

MV will continue to keep our members up to date during this process, and we thank you all for your patience and understanding as we work to resolve the issues.

Kind regards,

Motorcycling Victoria Board of Directors
