Motorcycling Victoria Statement

Dear Clubs & Life Members,

Thank you for your attendance at last night's club delegates and life members meeting. Motorcycling Victoria (MV) have heard the members concerns regarding communication and endeavour to keep members updated.

MV would like to thank Motorcycling Australia (MA) for their attendance and input into the meeting.

The MV Board has had positive conversations today with the MA Board regarding meeting and coming to a resolution concerning MA issuing a delegation of authority to MV.

The MV Board are eager to solve this current issue and will continue working with the MA Board to come to an agreement.

We thank you for your patience as we work to resolve these issues.

Kind regards,

Motorcycling Victoria Board of Directors
